General Items:

- Families strongly support the afterschool program and believe it has been beneficial to the students academically, socially, and emotionally.
- Over 75% of parents believe that the staff is “always there to help parents that work late in the evening”.
- Drivers-Ed is a positive part of the afterschool program and without it, students may not receive that education.
- Students and families appreciate the support of students to help them get tutoring for their homework assignments.
